WORK EXPERIENCE

Better Collective

May 2023 - Present

Web Developer

- Collaborated with product and design teams to build a SaaS app focused on creating sports ad templates, enhancing the company's revenue streams by 15%.
- Worked closely with stakeholders to integrate dynamic templates across various sports websites, ensuring compliance with brand guidelines.
- Developed and optimized the odds comparison feature, contributing to user engagement through seamless UI/UX.
- Troubleshoot and fixed performance bottlenecks, resulting in a 20% increase in load time and user experience improvements.
- Added new features and fixed bugs in the system for system improvements and upgrades by writing code, functional and unit tests.
- Used my own experience to increase knowledge of less experienced team members.

SKILLS

- JavaScript, TypeScript, React, Zustand, Zod, Jest
- Node.js, Express.js, Mongo DB
- CSS, SCSS, Tailwind, Shadcn
- Framer Motion, Figma, Git, GitHub
